Rudnick confirmed that the street light illuminates it perfectly and a direct light on the flag is not necessary. Garton stated that the Village commented on lighting in the comprehensive plan. Wolf was also concerned about the number of children playing in the stone area of the statue. One child was using a stone to scratch on the back ledge area. Wolf explained that the area was not meant as a play area. Wolf asked if the Village should be putting a sign up to keep children off the statue. ### **CLERK’S REPORT**

Moioffer distributed the second quarter budget for general and outlay expenses. The second quarter revenue report is not yet complete.

The Chamber called about the Village President provided the welcome letter for the SCCA runoffs. Moioffer questioned that to have the letter printed it costs about \$135.00, and does this come out of the \$250.00 the Village already is given or is this above and beyond that donation. Garton stated the Village needs a policy and a budget category for these type of donations. Rudnick stated that it will be put on the agenda for September.

Moioffer reviewed the upcoming meetings and noted that the CDA meeting will be moved to September.
